PARTNER WITH MLST AS A SPONSOR!

The Medico-Legal Society of Toronto (MLST) was founded in 1950 by a group of physicians and lawyers. The purpose of the MLST has always been to promote medical, legal, and scientific knowledge; and to encourage cooperation and understanding between the professions in the interests of justice, patients, and clients. Over the past 70+ years, the MLST has been home to medical and legal professionals at the top of their field.

MLST hosts a variety of events, webinars, and other learning and networking opportunities such as:

- Annual CATastrophic conference
- Spring Bouquet conference
- Potpourri of Recent Medico-Legal Cases conference
- Young Practitioner Program
- Annual AGM Dinner
- Annual Wine & Cheese Social

Support from sponsors is especially important to the Society, and the MLST's Communications & Liaison Committee ensures that these contributions are well recognized. We list the benefits and costs on the following page.

Partnering with the MLST as a sponsor is an ideal way to demonstrate your organization's commitment to the industry. Your support will enable us to continue providing the arena for education and networking that our members need.

If you are interested in pursuing any of the available sponsorship opportunities, please contact Gayle Brock directly as she would be happy to discuss them. You can reach Gayle at her office at (705) 739-4022 or by email at gtbrock@brockmedmal.com. Alternatively, if you have already chosen a sponsorship level, please contact Cristina at cristina@mlst.ca to complete the sponsorship form.
